

Buster Terno Mayeda

August 25, 1929 ~ December 29, 2024

Buster was a wonderful neighbor for as long as I lived at M Street. He would surprise me sometimes with fresh peaches from a trip to Brigham city, or oranges or whatever fruit he felt like sharing. I always had a special place in my heart for him and I’m sorry to hear that he is gone. I moved out of the building before Christmas, so did not know of his passing until now. My deepest condolences to his entire family and all friends. RIP Buster, you were an extraordinary human being.
