RIP, Ashley! It was my honor to be a surrogate aunt to you. You will be missed my sweet girl. Love you. ■■■!

Dearest Ashley You have been a part of our family for decades. I am so grateful for the beautiful friendship you and Angie shared. Your bond was so special and deep, and I will always be grateful for that, as I know that no matter what you were always there for each other. We will miss you and love you forever, and will keep your memory alive by saying your name out loud. I love that your Mom said “she’s dancing in Heaven in high heels!” I can see that beautiful sight! Rest easy our beautiful Angel. I love you, Mama Peg

While a short time has passed, I still cannot wrap my brain around the fact that you’re gone. No more memories to be made. But only reliving the fond memories I have of you. I was lucky to call you a best friend and grateful you were a part of my life. Your tenacious attitude will be greatly missed and I appreciate that I could always be myself around you. You were the second person I came out to and I will always keep your reaction in my mind. Thank you for demonstrating what an incredible Aunt looks like. I could never live up to what you did for your nieces and nephew. You are greatly loved and deeply missed. Keep visiting me in song. It means the entire world to me. Love you girl!!!!!

I will forever miss your kindness, your laugh and your smile.
