

C. Jeannine Anderson Turner

April 9, 1931 ~ November 25, 2020

Marty and family, sorry to hear about your loss, my prayers are always be with you!

What to say about my adopted grandma, she had more love in her heart than she could have given in a thousand lifetimes. When I moved out to Utah on a spur of the moment decision she and her husband didn't hesitate to take me in and treat me as if I was born into her family. I have fond memories of many meals at her house, she was a wonderful cook. She helped with any problem that came up for me and was always patient and understanding. She will be missed by many and always remembered as such a wonderful loving woman. I was so sad to hear of her passing but know that she is with Heavenly Father now and probably playing a few pranks on Al. I will forever be grateful and blessed to have had the opportunity to know her. Steve Sharp

Sorry for the loss of your Mother. I didn't get to know her like I would have liked to because we only saw each other at Kimberly's wedding, but got to know her through Kimberley. She really loved her family and know you all will miss her so much.

The Turner children were so very fortunate to have Jeannine as their mother. I viewed her as a gentle, classy, loving and compassionate lady. Her work here is done. RIP Jeannine.

To Marty and the Turner family, Donnie and I give our heart felt condolences for the loss of your mother. We know this is a difficult time, but you have friends to lean on for support if needed.

Dear Bob and family, I am saddened to realize Jeannine has passed away, although last time we talked you told me she was not doing well at all. She was always sweet and kind to me. I hope she is at peace now and ready to rest. I hope also that you and doing well and able to stay in Beaver Dam; I know that is home for you. Give my best to your family; it is hard to lose a mother and loved one. In better times without a pandemic, we would join you tomorrow. Unfortunately, we are needing to stay to ourselves during these times, but wish you the very best to stay healthy. If all goes well, I think next summer we will do only a cousins reunion to catch up on great memories. Hope to see you then. Charlotte Christiansen McDonald

We have named our Christmas tree this year the angel tree in Jeannine's honor. We have hung the little angels that she made so many years ago for us on the tree as well as a beaded top ornament which we have lit with lights and it looks lovely. My love our family I wish them all well and send our love and condolences to all. We wish we could be there to give you hugs but we want you to know our love and thoughts are with you at this time and always. Love forever, Carolyn and Don

I just read about Jeannine's passing. I'm so sorry to hear about this. I volunteered at the library when she was librarian at Fremont. My husband and I spent many evenings in her basement watching movies with her and Bob. I thought about her often and loved her very much. RIP Jeannine I love you!
