

Audrey R Cutak

February 3, 1932 ~ June 1, 2021

I brought Audrey holy communion for a couple years while she lived at Cottonwood.. she was such a sweet lady. Always so pleasant and happy to see me so she could receive Communion..She would be either in her room, Sitting in one of the comfortable chairs or in the dinning room. When I went today I felt something was missing. It was you Audrey. I have pleasant thoughts of you living there. Lovingly, Natty Leo
