

Candace Davila

July 7, 1953 ~ May 3, 2024

My condolence message will be a bit unexpected but sincere nonetheless. I woke up this morning thinking about Sonny. Something I haven't done in a very long time. I immediately did a google search and sadly saw that Candace had passed away recently. My only memory of her was when I was visiting my dad in Houston when I was 16. That's the first (and I think last) time I met her and their new daughter, who was about one and so adorable. I remember her being very kind to me and I only wish I could have gotten to know her better. Just wanted to say that I am very sorry for your loss. -Genevieve
