

Sharron Pezely

June 27, 1941 ~ May 12, 2020

Dear Kelley and Nick, Please accept my deepest sympathy at the passing of your Mom. Your Grandma Jerry let me share in the joy and pride she had for the two of you and your caring mother. I loved hearing of your adventures in life and miss my association with your family through her. The fierce mothers both Jerry and Sharron were is a tribute to how they lived and loved. My best to you and yours, Claudia Scalley
