So sorry to hear of my cousin Carol's passing. I have wonderful memories of my Carol! Miss the years of not keeping in better touch with each other. She loved her family so much. We will streaming her funeral from Arizona.

It was an honor to meet this beautiful soul. You could immediately tell that she was a loving, caring individual that wanted happiness for all who crossed her path. .May loved ones find peace in knowing that she is never far away as long as memories are in the heart.

Your mom sounds like a great woman. I hope that as a family you comforted at this time.

Carol will be greatly missed by everyone who knew her. She made everyone feel comfortable and special. Back on the early 1970s, after Carol was divorced, she took me with her to all the places you could dance and meet guys in the area. I remember all the guys she danced with just loved her. Which is no surprise, because that was just Carol.
