Kim Hardy Briggs

September 6, 1951 ~ April 21, 2015

On an impression born of the Spirit I today decided to do a Google search for one of my most loved missionary companions while we served together in the Japan Central Mission. And today, on April 2, 2023, I found my dear Kim whom I had lost track of after our mission. Reading his obituary, I fondly remember him and feel that we have now been reunited. Kim was a kind, friendly, and dear friend who I loved very much! Together we experienced great joy as we served our mission in Japan. I realize I am writing this some 8 years after Kim’s passing but felt impressed to do so anyway. Dear Kim, God bless you and your family! I love you.! Til we meet again. John Kunz.
