I am so sorry for the loss of your mom. I worked for Barbara for many years doing many different things around her house as her handy man. Barbara and I became very good friends over the years. Barbara will be greatly missed.

Patty, Homer and family, I just read of your mothers passing. What a great, fun person with a rich, long life. I remember her so well out and about with “Patty in tow” or the other way about! She left me with such an impression of liveliness, curiosity and far reaching interests, not to mention engaging.. My best wishes to you all, Scott

Our condolences to Barbara's family and friends. She was proud of her pioneer ancestors. She was an active member of Daughters of Utah Pioneers, joining in 1970, 51 years!
