Cheryl was truly an angel on earth. She exuded kindness and positivity. I am grateful to have known her and can only aspire to be as giving a person as she was. Fly with the angels. Your friends family will miss you Cheryl. Thanks for your beautiful example.

You always brigjtened my day with a smile or a kindly comment. My life is better for knowing you. I will miss you but know you are in a better place. Thank you for blessing my life and my families. Please put in a good word for me up there. I need it. ■

Cheryl was an amazing woman who made my life better. I had the privilege to work, learn, talk and laugh with her. My soul aches for her beautiful family.

Cheryl was an exceptional woman and a remarkable human being. Her life's work of service brought far-reaching benefits to countless individuals and families. She was a daughter "from another mother" to me, and a best friend for decades. Thanks to Stephen, Christopher and Sami for including Tannyn and me in the Hansen family. May you be blessed with comfort and peace in her memory. She lives on in our hearts. Carolyn Person and family
