Sister Tueller: Leslie and I send our sympathy and condolences to you (and President Tueller) at the passing of your lovely mother. Love, Gerald and Leslie Rees

- Gerald S Rees

I was shocked and saddened to learn of your mother's passing. She was an elect lady who I was honored to call a friend. She was always a joy to be with. I send you, her family, my prayer for peace and comfort.

- LouAnn Bates-Dansie

What a wonderful life and beautiful family she has. I will miss her great smile and sweet disposition every day. it was a pleasure talking to her and a privilege to be part of her caregivers group. Thank you for sharing the love in your family with me. I took more than I gave.

- Nubia Fajardo

What a wonderful woman, and what a wonderful life. She remembered every birthday when I was her neighbor. So lucky to have known her. So sorry for your loss, I know you will miss her. Much love, Dan & Karen Johnson

Oh Chris. As I looked at this picture of your mother in the newspaper the other day, the first thing I thought was, "Oh, what a sweet woman". Then I read her obituary, which confirmed that thought! Of course her loving heart and life of kindness would show in her countenance. I remember you introducing her to me in the Celestial room of the Temple on day, and she left the same impression with me then. No wonder you are such a sweet and kind person as well. Like Mother, like daughter! We love you and Russ!

- Lynda Fuller

Dear Chris and Ann, How blessed you have been to have your mom for so long. Her photo is darling, just like the two of you. The description of her in the obituary is a testament to your tender and kind hearts. You are both wonderful women--- so like your mother. I send my condolences to you and your families in this time of loss. Ann, it’s been years since we first met at the U. of U. as Chi Omegas. I admired your kindness, humor, beauty, and bright spirit. You were a wonderful friend. After Bill and I were married, we were blessed to move into the Butler Ward where we became friends with Chris and Russ. It was a wonderful time for young marrieds. We later moved to St. George and one winter, we met you at your folks darling refurbished pioneer home. Our common love of antiques was fun to share. We enjoyed your mother’s charming decorative touch as we toured the house your folks had restored in Washington. Your mother had created the “Enchanted Cottage.” Next, the Anderson family became close friends---and Travis married Trisha . . . so for over 50 years, our life paths have crossed on many happy occasions. Knowing the two of you has been a blessing. I admire your generous hearts, quiet, unassuming nature, deep testimonies, beauty, and your gift of laughter. How fortunate you have been to have a mother who, through her example, taught you valuable life lessons. You are a tribute to her goodness and character. I treasure your friendship. May Heavenly Father bless you and your families at this time of loss. Love, Candy Lish Fowler and Bill Fowler, St. George, Utah

Lon, I don't know if you knew this, but when you were about one or two years old, our ward had a ward party. Your mom was part of the entertainment. She put your high-chair on the stage, gave you a banana to keep you busy, and sang "Little Teddy Bear in a High-chair." She was always a giving and sharing person.

- Dale McIntyre

I have sweet memories of Sis. Clayton serving as a patron in the Draper Temple. She would come with her friend Sis. Tall, bringing a spirit of cheerfulness and love into our small area, where they would patiently and reverently wait their turns. Before leaving, Sis. Clayton would always thank us for serving in the temple so that she could come there. We all knew that on her way out she would stop and see if her daughter Christine was in her office. She radiated love to everyone. I am thankful I had the privilege of knowing her just a tiny bit.

Dear Clayton Family, Our sincere condolences to all of the Clayton family from the Sheffield family. While we didn't know your dear mother, she must have been a real dynamo from what we have heard about her and what we know of two of her wonderful children -- Paul (and Mary) and Ann (and John) and their wonderful families. How true it is, "by their fruits you shall know them." We so admire both of your families. You have been an influence for good to so many. We know you will miss her and are saddened to have her leave you; but we also know your knowledge that she is again with her beloved husband, your father, you are also rejoicing. What a great blessing! Our love and fondest wishes to all of you at this time, Sherman and Karma Rae Sheffield

On behalf of the Centerville Literacy, Music and Arts Club, we wish to express our condolences to the Clayton Family. Mavis was a permanent fixture in Centerville and her influence was far reaching. She was a past President of our club, and was loved and revered by all . Our Club has donated 50.00 to the Witaker Museum of Centerville, as a tribute and memory to her influence and great leadership. She was loved by all the members of the club over the years. I grew up in Centerville and Mavis was my YW President. All the Young Women loved her. She was beautiful inside and out. He example was of the upmost integrity. Her daughter Ann was one of my good friends and I have memories of the cabin up Lambs Canyon. I also remember Chris who was a good friend to my sister Susan. The Browns and the Claytons were always good friends. I wish I had Ann's address as I would love to send a sympathy letter to her on behalf of the Book Club as I am a member and in a leadership position. Sincerely and with love, Judy Brown Cella Secretary/Treasurer j-cella@msn.com
