Darrin, I will miss you. You were a good friend and you are loved

- Laurinda Ryan

I live in unit # 11 over by Laurinda's. I met Darrin through Laurinda while he was living with her. Darrin and I became very close friends. He became my best friend and the one I could always count on. Darrin helped my daughter and I out with numerous things. Darrin would usually come over with his friend Austin and visit in the evening. Darrin called Austin "Dough Head", laughing. I had to pull an arm and leg to get Darrin to attend Austin's "WAKE" at Wheeler Farm. I remember all the great conversations we use to have sharing on a very small wood bench sitting outside Laurinda's located by the garbage hoping that Laurinda would not come out side. Darrin touched my ♥ in so many ways. Darrin would often talk about the only women he ever loved that he married, his younger brother, his past, his niece, his sister, his future when he got his money. So many tears I have dropped for the nicest man I have ever met in my life. I send LOVE to your family. GOD BLESS

I'm so sorry for your loss! Darrin and Pat were my brother Clays best friends. Darrin was always sweet to me. I'm sure Clay and Pat were there to great him, and so happy to see him.
