

Lloyd Hugh Redd

June 6, 1926 ~ July 19, 2020

We want to express our condolences for the loss of your wonderful Dad. He was one of the kindest men we have ever known. We only lived in Ft. Worth for two years but felt like we had known your parents forever. They were so welcoming to us. We know how happy they must be to be together again but also know how hard it is to let them go. Our thoughts and prayers are with you.

- Reed and Diane Barlow
