So sorry to hear about Cinda. I own a first edition copy of her book, “Great and Noble Jar”. She was always supportive of the accomplishments of others. When her daughter was born, she wanted a certain kind of baby carrier for her chest. She explained it to me, and wanted me to make it by hand. I did. She was ecstatic, and so appreciative when she received it. I will never forget. She isn’t gone, just out of sight for now.

- Joy (Baldwin, when I knew Cinda)

We are very sorry to receive this sad news. May her soul rest in eternal peace. Please convey our deepest condolences.
