Our thoughts and prayers are with your amazing family. We love you

The words her granddaughter wrote were so much like Mrs. White. And made me cry remembering her on her front porch. Many times I would go over and visit her on her porch . She was such an awesome neighbor. We have been neighbors for over 35 years. My family are really going to miss her.

I am so sorry for the loss of your mother. Bee was always so good and kind to me and would bring a smile to my face. My thoughts and prayers are with all of you. I know she is so happy to be with your dad again. Love all of you!

Lots of LOVE for our favorite Aunt Beatrice. We were so sad that we were unable to attend her funeral service and visit with family, but are so grateful for modern technology that we were able to see and watch her amazing family pay tribute to her. We have many memories through the years, one of our favorite was when we were newlyweds expecting our first child and your sweet parents gave up there bedroom for us to spend a night at the White House and would not take no for an answer. What special people!
