Sending prayers ■

- Nikki Lanzillotta

Our deepest condolences to your family. No words feel adequate. We pray for your family and also share our testimony that you will be together again.

- Zach and Mackenzie Ferrin

What a beautiful child!! So glad to see a picture of this amazing little son of yours! We are so sorry that you had to let him move on without the rest of your family at this time. It is such a blessing to know he is in the Lord's watchful loving care until you hold him in your arms again. How grateful we are to share this knowledge with you.■ We send our love!

- Keith and Cathy

Julie and Tyler, We are so sorry for your loss of sweet baby Beckett. He must have been one of the valiant chosen sons of our Heavenly Father. You, Julie and Tyler are also chosen vessels of the Lord to be honored to be his mom and dad. We love you. We mourn with you in this loss. Love Steve and Jan

Julie and family, I can't fathom how your heart must have been aching and how it feels right now. I do believe in prayer. I hope you can feel peace and love from all those that are mourning and praying with and for you. I think that Beckett was an angel that was too good to live on this earth long. Just long enough for your love and devotion to sprout like you have never known and then he was returned back to heaven. I can only imagine how marvelous that reunion will be when you get to hold him in your arms again. Love you Jules. Your family is so lucky to have

you in their lives.
