

Corrine “Corina” Archuleta Burton

July 10, 1939 ~ October 13, 2024

I sent Corrine a Christmas card like I do every year. I never heard back from her last year, and I just got the Christmas card I sent this year returned to me. I googled her name and her obituary came up. I am so so sorry to hear about her passing. I worked with her for years at Mountain Bell/USWest, and we had many moments of laughter. She was smart, and hilarious. I will forever miss her presence. She was an amazing woman. Rest in Peace!
