

Craig Merrit Watson

November 29, 1951 ~ January 27, 2026

I started at Sandy PD in 2006 and worked with Craig until he retired. He was a good example to me as a young cop and I respected him as a man. I am sorry for the loss and will always hold fond memories of the salty lieutenant.

I knew Craig through my employment with Sandy City at the City Prosecutor's Office and the Court. I got acquainted with the many of the police officers while they were waiting to get their cases screened. I always enjoyed talking to Craig. He was a genuinely nice person and had a great sense of humor. I extend my deepest sympathy to his family...so very sorry for your loss!

Craig was a wonderful friend and a mentor. We have many happy memories of Craig. Al worked on the drug task force when we had only been married about a years. Craig was his Sergeant. One night I got a phone call and it was Al's voice, but he was calling me by another name and saying crazy things. It scared me and I called Craig. He was so wonderful. He was off duty but came and got me and drove all over town trying to find Al for probably more than 2 hours until I calmed down. We stopped at Little America for coffee and I finally realized that he wasn't trying to find Al, but spent all this time helping me. I cant tell you how much that meant to me.He was truly a wonderful man and a great friend.

Craig was my first sergeant when I hired on in 1985. We have great memories. And the stories he could tell! We both were fond of motorcycles. He was easy to talk to and laugh with. Craig, you will be greatly missed. Thanks for the memories!

I just recently heard of Craig’s passing. I worked with Craig at the Sandy Police Department for twenty-two years. Craig could always offer a word of advice and support for whatever was going on. He was a good friend and co-worker. My sincere condolences to his wife and family.
