

Cynthia Eileen Dix Powell

February 11, 1949 ~ August 19, 2024

We went through the U of U college of Nursing together and remained friends for over 50 years. My wonderful amazing friend. I am so sorry for the loss of your lovely, unique, beautiful Mom. Katie frandsen

Cindy and I are first cousins. We would occasionaly run into earch other. One time we found each other as we were going into the "Blessing of the Clans at the Presbyterian church/ That was fun. As a life long genealogust, I am thinking of her meeting all thoses relatives again, and being with her parents. It has got to be a (Icant think of a word to discribe it) Thrilling, amazing, over whelming? experience.

I lived nextdoor to Cindy for 27 years. We were always good neighbors. I missed her so much when she was in rehab both times. Life seems out of balance not being able to see and talk to her. Knowing I will never see her again is really hard. Sorry to miss her funeral. My wife Robyn and I don't do indoor gatherings for health reasons. Blessings dear neighbor and love to your family. I have been a neighbor and ward member with Cindy for many, many years. She was so beautiful, caring, and intelligent. She always greeted me with a smile. I will miss her. She loved the Savior and was a devoted member of the ward. I visited her her once in a care center.
