August 23, 1941 ~ January 20, 2024

Sorry to hear about your mother. SHe sounds like a great lady who touched many lives. Was also sad to read about the twin daughters deaths as I'm sure they would have been much joy to your lives as well.

Dear Family We were sorry to hear of Berdenes' passing. Although we hadn't kept in touch with her we did keep in touch with Alona as to how Berdene was doing. She is at peace now. May you feel God's loving arms around all of you and be able to have peace in your hearts. Uncle Wells and Aunt Beth Rawlins and family

Dear Steven, Shane and Garett, I’m so sorry to hear of the passing of your dear mom. She was a wonderful and thoughtful woman. She made me feel so special when entrusting me to care for you boys when you were young! I admired her strength when she became a single mom! She held her head high and did what she had to do. I thought of her and you boys often after we had all grown older and moved away from Sorrentino Drive. She influenced my life more than she ever knew. I’ll continue to think of her often. My thoughts and prayers are with you. Tina Oliver Amthor

Berdene was one who contributed to everyone here at Highland Cove by fostering self-preparedness classes and helping individuals with specific problems She was always going the second mile to help her neighbors. She was a example of a perfect ministering sister to our Highland Cove Branch. She will Certainly be missed.

Berdene was my very special friend, but first she was the best friend to my mom. Before my mom passed she asked Berdene to look out for me and she did just that. We went to lunch several times and she always remembered special events in my life. I will cherish her friendship forever. She was a very amazing lady and I am so blessed to know her.
