We've loved Dale for over 50 years. We have many wonderful memories of visiting him and Marti and the girls for Thanksgiving and other holidays over the years. We will miss him. We're glad he's with Marti now, she's been waiting for him. All our love goes out to Ashley and Lindsay!

I am so sorry to know of Dale's sickness and now his passing. It seems that he had such struggles to endure at the end of his life! I hope the family can now feel peace and calmness to know he no longer has that to endure. My own age keeps me from doing and accomplishing the many things that I would in my heart desire to do, but it is not always possible. I do desire very much to attend the viewing, funeral and at the graveside for Dale, but am not sure if I will be able to do so. Hopefully you will understand that my heart is there, but often I am not able to do the things I wish to do. Please know of my love and affection for each of you - Dale's family. May you be comforted as the Lord knows your needs. Love - Aunt Ann Allsop Peart

I had been thinking of Dale and his beautiful music, and asked Google to play Mendelssohn's "On Wings of Song" and others. I appreciated his music so much. He was a great guy and now he is back with Marti. We miss you, Ashley, and wish you were back with us. Love, Pat & Tom

So many great memories of your family. Today's service was a wonderful tribute to your Dad. I can see in my mind how he expressed his love for your Mom and the two of you. It was great to hear Curt and Leslie's memories of your family. We love you all!

It breaks my heart to see this. Dale was a good man, genuine, generous, and kind. I hope and pray the best for those he left behind.
