I thought the world of Sister Heinz. She was like a second mom to me in my teenage years. What a great woman!

Oh how I loved Bernice! She was my favorite of the Lundgren aunties. My deepest love and condolences Kathy. She made me laugh, she always saw the good in me, and she spoke my language. The day is a little dimmer without her. ❤■

Oh how I loved Aunt Berniece. She always had a smile and a giggle when she met people she loved. She was a lovely lady and a Christlike woman. Love to you, David and Cathy and your families.

Dear Dave and Kathy, My mother and I would like to extend our warmest sympathy to all of your family. We remember your mother as being so sweet and kind when we were together in the same Cleveland ward. I know

that was so long ago! We enjoyed reading in the obituary about her life full of love, faith, and service to others. My mother is now 94 and is so looking forward to being reunited with her husband. I know your mother and father must be so happy being together again! And, even though I know my mother will be so happy to be once again with my day, I will miss her terribly. So, we pray that you will find comfort and peace in the coming days. Sincerely, Susan Matsumura and Helen Inouye & family
