Kerry, I'm sorry for the loss of your father.It sounds like he had a rich full life.

- Betty Sturdevant

I have such fond and lasting memories of your family and the times we were all together at Nana and Papa's. Laying on the floor coloring, looking out back for injun Joe, Nana's Thanksgiving stuffing, Papa's carefully wrapped cookies. It was a warm and wonderful time and Uncle Don, Aunt Maralyn, Kerry, Kathy and Kyle are all part of

those family memories. I'm sorry I can't be there for you during this time, as you were for us. I look forward to the next time we all come together as a family. And can't wait to see your father and mine. Laurie Mc Coun
