

E Doyle Robison

May 31, 1937 ~ July 8, 2020

Doyle was such a bright spot in my day while I worked at the Sheridan. Getting to know him and care for him was such a privilege! I will miss my friend Doyle so very much!

Doyle and Beth were wonderful neighbors, they always thought of others, and Doyle had such a positive outlook on life. He lifted wherever he went and we were all grateful for his service in our ward and in our neighborhood. He served with Luke in the High Priest Group Leadership and Luke loved serving with him. Doyle radiated joy and love. He will be missed and ALWAYS remembered for his kindness to all.

What a wonderful, sweet and loving man Doyle was!! I was always so impressed with his love and adoration of beautiful Beth whom he treasured so dearly. He was kind and patient and always has a listening ear, ready to console, advise, or empathize. How wonderful that he and Beth are reunited! He contributed so much to the world.

Doyle and Beth were great neighbors and friends, and we miss them. Doyle always had a kind word and smile, no matter what the situation. He gave one of our daughters her patriarchal blessing, and she loved him for that. When Bret was sustained as bishop of our ward years ago, Doyle was one of the first to ask for an appointment and "need" some advice. Of course, Bret was overwhelmed with the responsibility and felt so unprepared to give it; we are sure that your dad wanted this 'green' bishop to begin using the mantle as soon as possible, and to recognize the gift that it was. It worked, and Bret always looked to him for an example of a great leader. We send our love and prayers to your family. - Bret and Rita Millar

We were neighbors of Beth and Doyle in Hidden Oaks and had the pleasure of working with Doyle on the Hidden Oaks Board for several years. What a sweet man! My father also was a resident at Sagewood for a short period of time and I got to visit with Doyle again and get reacquainted. He will be missed by all, however, we know how much he missed his sweet Beth and know that they are back together again having a wonderful reunion. We are thinking of you all at this time. So sorry that a traditional funeral can not be held to honor this wonderful man.

We were so sorry to hear of the passing of Doyle! Both He and Beth were so loved by the Wirig Family. When Kimball and I first moved into Hidden Oaks they were the first to invite us into their lovely home.. I thought it felt like a temple. Doyle always made everyone feel like they were his favorite friends! For years they both sang in the ward choir when I was the director and I was so thankful for their support. Doyles sweet , tender nature was always evident. Many times he was brought to tears either by the messages of the songs or when he was expressing his love and gratitude for the gospel of Jesus Christ! He never hesitated to share his love of his Savior! We will always remember Him and Beth who was an amazing visiting teacher to me for years! What a happy reunion they are having ! I’m so happy they are together again! The whole Wirig Family are grateful for Doyle’s example of love and Christlike Service. We send our love and prayers to His beautiful family. ❤■ Kimball and Betty Wirig and family

Doyle and Beth, such loving souls. They were special. I was introduced to them when they came by my first home approx:2000 or so when they were taking care of a man,teaching him to read,and helping him find a room for rent,which I had an open room available.They continued to visit,and keep in touch.Dinner invitations also. Very loving,caring folks.
