Dear kids of Chree. You don't know me but I went to high school with your mother and aunt Toni. They lived in my dad's fourplex in Sandy for a few years and we spent a lot of time together; your grandma Thail, Chree, Toni and Deanne. I am so very sorry to read about Chree's passing and will pray for you kids and your family to get through these hard times. "There are no shortcuts through greif---only a path, along which our Lord himself has walked and will walk with us with his gentle strength." Lean on him to help you get through the tough times. Sending all my prayers and love, Becky Cowdell Rosenkrantz
