I am sorry at the passing of your kind and gracious husband and father. May you be blessed to feel of his spirit and to remember him. May you be blessed with peace and love at this time.

McGrew family, the world lost a bright light with the passing of your husband, father and grandfather. Dan was the most extremely hilarious and entertaining person I ever worked with he was always on he toes with sarcastic and funny comebacks in any situation that arose. It was a pleasure to work with him for a number of years at Koch Mechanical. It was always great to run into him and chat at the Wells Fargo building or on Main Street after working with him at Koch. Please accept my condolences. Dangerous Dan McGrew was a great friend and had a life well lived may he Rest In Peace. I'll never forget him. Ron Mayer
