Sorry to hear of your loss. Kathy

- Katherine Tanner McMullin

Carol and family, I am so sorry for your loss it is really hard to lose your Mother at any age. My heart goes out to all of you.

- Denise D Lauridsen

Hope you all were able to spend time with Aunt Betty before she skipped out and left this world for you, Its hard to be an orphan here for those left behind, just to many "I wishes" come and go as time goes on.

- Garry Holfeltz

To all of Aunt Betty's family: I watched your mom's services yesterday. Everything that was said was so true of her. It was nice to see those of you who talked or sang! Sorry we weren't there. What an awesome service! With love, Jeanene and Carl
