Our dearest friend Bishop Mu, Having you (and your loving wife Susan) in our life, we understand what the "service others" meant, what the Savior meant when he said, "as ye have done it unto the least of these my brethren, ye have done it unto me." How to so humbly to serve Lord's children. You are the greatest example of love, understanding, patience... I know that you are one of the angels sent from heaven into our lives to help our family and so many others. You will always live in our hearts. Rest in peace and we will see you again someday!

I am deeply saddened to hear this news. We will miss your friendship and guidance. I served my mission in the the 6 th ward when both sister and brother Mu was the ward missionaries. They went out taught with us often, they share their testimony often, they share their love and beliefs often without hesitation. He care about people around him, he served his community diligently without complaining. He is a true example for many who know him. We will miss you, and our prayers goes to the Mu family! Condenses to the Mu family. I have always be grateful for Brother Mu as the Chinese Branch president when I was a young woman. He cared about our future and inspired us to do our best both spiritual and academically. He was my mentor and showed me how it was like in construction profession. This is something that I always recall and share with someone that how awesome my branch president was. I regretted that I had not ever expressed my gratitude to him in person. Thank you Brother Mu!
