I loved you and I will miss you my good friend and desert traveler!

Rest in peace Dave I hope your body is healed and you are skiing deep powder in heaven. You were more than a friend you were a brother. I will keep your memory close to my heart. I will think of you often with a smile on my face. Dave made a big impact on my life. We were best men at each other's weddings. We worked together, lived together, and had many adventures together back in our heyday. There are so many stories I could tell. Just know that I loved him and I will miss him. My thoughts and prayers are with his family. Chris alias Larth
