Henry A. Theurer

February 8, 1921 ~ April 25, 2019

I’m not sure if you are still receiving messages as Henrys’ passing was in 2019, but as I was looking at my birth certificate I decided to look up the doctor who delivered me, and low and behold I was one of those 9,000 babes he delivered. I’m sorry to hear of his passing. I am however, grateful he safely brought me into the world 42 years ago.
