I worked with Dennis for the last 15 years. He was a beacon of honesty and integrity. I always trusted his knowledge and craftsmanship, and he never failed me. Above all he was a good friend. I will truly miss him.

As we get older it seems like the loss of loved ones is happening more often but the loss of our loving memories will never be lost sorry to hear of your loss

I’m so very sorry for family and loved ones to hear of Dennis’s passing. I was shocked when Don reached out to tell me. I’ve worked closely with Dennis for a long time as one of his customers, and consider him a friend. I always enjoyed meeting him on site and talking with him over the phone, especially when our conversations wandered away from work topics. I was always jealous of his trucks, until I finally broke down and got one like his (still not as nice though). Rest in peace, Dennis. My deepest condolences to your family and children.

Dennis, There are no words to describe how much I love and miss you so!! So many amazing memories along with so much growing and learning together. From all the sports we enjoyed and played together. Getting you to watch NASCAR with me to you and Don and your riding/racing dirt motorcycles. Each time you guys won taking Ciege up with you to get your trophy. Teaching her to telling time and helping her tie her shoes. I can’t forget our love for the Denver Broncos come what may with them!! My heart and mind hurts so much without brother!! I love you so much!!! Until we met again… Love your sister, Dorothy - xoxo
