Thanks for being an awesome aunt. Will be miss but love you a lot and thank for being part of a great family

- Wesley Scholle

She was a very special lady, and a wonderful aunt. I would remember when we would come over to her house, and she was always willing to cook something for us. She would offer us some zucchini bread either a slice or a whole loaf. She always cooked really yummy food. She will be missed very much. I loved her tons.
