I worked with Don at the school district and he was a great guy, spent a lot of time talking to him about hunting and life. Always had a smile on his face, he will be missed by all that knew him

So sorry to hear this news Don was a great guy. I really liked his mom I got to visit her as a young 12 year old boy then got to know Don when I transferred to the mine and really thought he was a great man he will be missed.

So sorry to see that Don has passed, he was a great guy. All of my condolences to you and your family. I would like be there to celebrate his life but my Son-in laws Father's passed away and his funeral is the same day in Morgan Utah. I don't know if you have heard that my twin brother Wayne passed away year ago last March, I miss him so much. He died from Parkinsons disease and full body Luyie dementia. Prayers to you and your Family, Blaine

Kathy, Bill, Shay & family, My deepest sincere condolences. So many of my childhood memories included going to your home. Even when we moved from Copperton to West Jordan, going to the Snarr’s was the highlight of my day. Don’s smile and laugh/chuckle was so contagious. Every time I entered your home, I felt welcomed, loved and never judged. Don & Kathy didn’t just raise two boys, you raised an army of kids, and the world is a better place because of it. His legacy will live on. Thank you for providing a safe place for all and for showing and teaching us what a loving family is. Love you all!
