Merrill, With deepest sympathies! Liz Denkers

- Lizbeth Denkers

Dearest Merrill and family I know your pain and loss and my prayers and love are with all of you. Edd was more than a dear friend and you are constantly in my thoughts and prayers

- Gearldine Child

I'm so sorry. Dr. Wall was kind, smart, and loved his family so much. There's never a good way to do this, so: Ed, you are loved by many, and kept in heart.

- Claire Momberger

To Merrill, Amber, Charles and family My love and sympathy at Ed’s graduation from this life. May peace be your constant companion in the coming days. We will all miss him. This is a difficult time for those left behind but he would want you to have his love to be with you. Sent with love to you all.

- Lynette Russell

To Ed and Merrill and their family. Ed was a great friend and associate since our dental school days. I enjoyed being around them and kept in touch over a long period of time. In 2023 we had a reunion of sorts at the Ottosen home in St. George. We laughed and looked at old slides of days past. It was a wonderful time of renewal and reflection. I’m grateful for their love and friendship. Jerry Shaw
