A mother's love is always with her children. Losing a mother is one of the deepest sorrows a heart can know. But her goodness, her caring, and her wisdom live on-like a legacy of love that will always be with you. May that love surround you now and bring. Great sadness filled our hearts as we learned of the passing of our dear friend Bonnie. She was true sunshine. Our deepest condolences to each of you. Love Sandoval Family

Bonnie was one of the most faithful and loving people that I have had the pleasure of knowing. She was always visiting my parents home (with cookies or some other goody) and was one of the first people I met when I moved back to El Paso. Bonnie attended our senior Family Home Evening group via Zoom, even after she moved to Utah, and we will miss her contributions to our discussions. We love you Bonnie! My condolences to her family and loved ones. 'Till we meet again.

Hello- I’m so, so sorry for your loss. My mom Marina Bowman found the link for the service on FB (even though I’m not on it anymore). I really loved your mom and she is a big part of what I remember about living in El Paso and our ward. She was absolutely amazing! Nathan, it was so good seeing you. You look exactly the same as I remember! You were in so many of my classes at school and church. Paul, I remember you also. You all have such a lovely family and beautiful memories of your mother that you will have for eternity. Much Love, Jenni Bowman
