Steff, Matt and Chris, My heart just aches for you all as you say good-bye to your sweet mom. I have so many memories of her! Too many to write down, but I'll share some of my favorites: watching Warren Miller ski movies in your garage with Bonnie serving snacks; having her as my young women's leader as a 14 year old; watching "Wait Until Dark" (Audrey Hepburn) in your basement for a young women's sleep over; ordering flowers for dances from "Petals"; seeing the cute geese in store windows downtown; her laugh and the beautiful twinkle in her eyes as she talked to me. She always made me feel like the most important person and I'll never forget that. Bonnie is the epitome of faith, grace and love, even in the face of unbearable trials. Living across the street from her was a gift that I will always treasure. I love and will miss her! Love, Monica

My heart is broken to have to say farewell for awhile to my precious Friend, Bonnie. I'm so glad to know you are saving me a place in line up there by you. You have enriched and blessed my life for many years now. Your struggles are over and you are with your sweet Mom and Dad. I will miss you terribly! Love from me to you. Your BFF Carol Anne

Chris, Matt and Stephanie, Your mother was always a positive influence in my life. I first met her during Jason and Bruce's little league football days. As I got to know her, I learned that she had a gift of making others feel special. She passed that gift on to the 3 of you, as each of you emulate your mother in that way. Your dad was not too bad at it either. Whenever she was in the room, there was a kind and loving spirit that she brought there. I will miss her, but know that each of you will pay it forward with others.

Dear Steffanie, Matt, Chris and Family, My heart has been filled with such sorrow, to hear of your mum’s passing.. Bonnie brought so much Joy into our lives, here, in Scotland, here in Inverness. I will forever be eternally grateful,

to have had the opportunity to share my life and the lives of my children and grandchildren with Bonnie. I have, with great fondness, many, many happy memories of Bonnie, while on her Mission here, and of my wonderful visits to Utah. The fun times we had And, where I met Bonnie's beautiful family. You welcomed me into your homes and into your hearts. I was extremely humbled by your kindness and love in abundance. I cherish the time I have had with Bonnie and you all and the many lovely people I met along the way. I will never forget that, never. I will never forget you Bonnie! Bonnie is, what Bonnie was, a Beautiful lady, inside and out, with such a kind soul and loving heart. I am extremely sorry, I cannot be there for you and your beautiful family today Bonnie. But, My love, my thoughts, my prayers and my heart are with you all. God Bless you Bonnie, Forever in our hearts . ' Love you to Bits!!' and always will!! Margaret. Xxx

Dear family, we were so sad to hear of your amazing mothers passing. As so many of our wonderful 28th ward friends are leaving us for that more perfect place, we can only have gratitude for being one of your moms friends and ward sisters. She was gracious, kind, warm, and the most perfect example of how to be a good mother, and daughter of our Heavenly Father. Jeff and I were so sorry we weren't in town for her celebration of life. Love to all her amazing children.■
