Grandma, You may be gone, but you will never be gone from my heart. I may not be able to see your face, but I will always see your sweet smile. I may never hear your voice again but you will forever be in my soul. You are my angel. I love you with all my heart. Love Alisha Kay

The things I remember most about Maretta are that she loves being a mother to her girls and when they were young she proudly talked about their accomplishments. She is a talented crafter and enjoyed boating with her family. It has been a long while since I have seen her but will remember her always.

Maretta was my life saver. She took care of and loved Daniel almost as much as I did. I don't know what I would have done without her and the entire family. Heaven gained a angel and I pray that she is giving Daniel a big hug. I love you all so much and I am so sorry for your loss.

- Christy Grant

My condolences to Maretta''s family and especially to Kandie, Bridget, and Angie. I was so sad to hear, but will always remember her as a great mom, best cook, and excellent housekeeper.
