I'm so sorry for your family. Elaine was so special in so many ways. She was fun, smart, and just plain cool. She is and was a wonderful person, and I am so grateful I got to know her as a friend. I wish I could tell her that I loved her. She was such a great example to me.

That’s my queen, Elaine!! I’ll forever cherish going to the movies with her and her always offering me pie when I went to her house <3

I loved my Grandmother with all my heart. She made me feel loved whenever we saw her, and gave trinkets and gifts to attribute to that love. I will miss her very much and will always treasure the memories that I was able to spend with her. There will never be someone quite like "Grandma Ison", and I feel privileged to have been in her life, and her in mine as well.
