

Brandon Scott Richards

March 14, 1976 ~ July 29, 2023

I loved Brandon so much! The world lost such a remarkable person. I dated Brandon in my 20's. He bought my "Big Red" Land Cruiser from me. And that was when our adventures began. After he bought "Big Red", he asked me to go on a date with him, to explain how it operated and "teach him the ropes" - haha! He had such a cute personality. I remember hopping in "Big Red", hanging my high heels on the rear view mirror and heading for adventures with him. We had an absolute blast, no matter what we did. I remember standing in the rain and laughing with him, a few times. It has been funny that it has rained (a few times) since I learned of his loss, as I think of him when I find myself in the rain. He changed me and my life. Brandon was such a gift. I will be forever grateful to him and for him. Sending my best to his little girls, family and friends!
