

Margaret Ellen Horsley Eastwood

March 15, 1932 ~ May 12, 2020

Margaret was a wonderful lady and a great example to all. I enjoyed her funny readings one year at Girls' Camp, but have appreciated them more as I have gotten older. I remembered her smile and happy disposition. What an example to so many cub scouts as well. She will be forever remembered for the teachings she gave to these young men.
