

Esther Judith Weller Watson

December 15, 1928 ~ April 20, 2025

I remember how kind and gracious Esther was when I went to her home to snow shoe or cross country ski with Ana. I always felt welcomed. I’m sorry she had to deal with the things she suffered through but am grateful for the opportunity I had to meet her. I’m sorry for your loss.

I’m so sorry I missed the funeral. I was traveling in Africa. I remember visiting Esther with family. She was always (and still is) fun, funny, happy, gracious, very faithful giving and kind. I feel like all the Weller daughters are this way. Love you.
