

Brent Reed Anderson

March 1, 1949 ~ November 13, 2025

I'll never forget visiting to Utah with my dad when I was 10 years old. Brent was a great host and a great man. Deepest sympathies for the loss.

Brent was one of the kindest individuals we have ever met. He always made you feel special and would help anyone in need. He was an advid fan of BYU and he and my brother never failed to let me know what a great team BYU was. I know he will be cheering them on in the Spirit World. We send prayers and hugs to his wife Maurine and their family.
