Such a loss for each of us. Always a great "cousin" and friend of our family. Sherm loved his trips with you and I hope you, Sherm and your Dad are catching the biggest and best!

I'm so sorry to hear of Brett's passing. Brett was one of the most compassionate, loving, and gentle-hearted souls I ever had the privilege of knowing. He was so passionate about the things he cared about and lived his life to the fullest. He showed me what it means to love unconditionally and to love the outdoors. I will forever be grateful for those gifts.

Many good times were had fishing with Brett and his friends here in AK. As he once said to me, “it’s always an adventure!” Rest easy Brett, on your favorite stretch of water, and hook up on a fish if you want to! Ryan Refshaw

Reflecting on palling around with Brett as we moved through our '20s, memories of mountains, streams and campfires, give me peace. Peace that though his life was cut short, he committed to his passions of solitude, nature, and respect and support for those around him. He believed -as John Muir penned-to "keep close to Nature’s heart... and break clear away, once in awhile, and climb a mountain or spend a week in the woods. Wash your spirit clean." Bless his old soul in a young man's body.
