A beautiful tribute to a wonderful man I am privileged to be able to have called dad as I joined his wonderful family. Thank you dad for the love you shared with me. I miss our many thoughtful discussions and times shared with delight. My thoughts and prayers are with the entire family.

My heart and prayers go out to my aunt Janet and cousins during this time. Uncle Lewis was always a positive light when we would visit and I'll always remember his optimism and love of life and family! I was always happy when around him and his family! I will be there in thought and prayers. I miss everyone!

Janet and Family, I was so sad to hear of Lou's passing, but as was I at Cliff's passing, I see it was a blessing to you all. Lou was such a kind and loving man. And he and Cliff spent many happy years playing basketball. together. Those early years, when we were all together enjoying the time we had, either at basketball games or serving together in church will be wonderful memories for me. You and Lou will always be a special part of those memories. Our children spent time together as well, and will always be friends with special memories too. My boys talk of those times often. I will pray for you, Janet, and for your children to love the memories you all made together, for they will bring you much peace, which you will need for now, while you adjust to the new adventure facing you. May God bless you and your family. I have always loved and admired you and Lou, Janet. Thank you for the time we share together. He is a special man, your Lou!! Anne Siler
