My heart goes out to Brita’s family; she was an amazing force for good. She was always so welcoming and inclusive of anyone with whom she interacted. She truly was admired and loved by all that knew her…and deservedly so.

I'm very sorry for your loss. I haven't spoken with Brita since we had classes together at the University of Utah. She was a wonderful person and I suppose I'm one of the lucky few to have a copy of one of her albums (I'd love to hear the second one). I only heard of her passing through an amazing combination of coincidences that makes me feel as though I should say something to make sure you know she is remembered by the many people whose lives she touched. Dear Aune family, I am so sorry for your loss! Brita was such a great person! I haven’t seen her in years, but I’m sure she kept up with her friendly ways and setting an example for all. I always remember her smile, she was such an example to me of Christ-like love! I’ll keep you all in my prayers! Jaimie Shaw (Stahl)
