We want to extend our deepest sympathy to John Moody and the Moody family. Such a blessing to know Carol and John and their family. Carol was loving, kind and generous with her many talents. She represents beauty in how she loves her dear family and teaches us to love more perfectly. Her beauty is seen in her flower arrangements, cards, and kindness in her words and deeds. Our thoughts and prayers are for your peace and solace at this tender time.

It's so hard to express any message that doesn't sound trite. Last time I was with Carol and John, I was picking Carol up on the way to lunch with Linda Jorgensen. We had such a lovely visit. Both these dear women are now gone. My mind is flooded, though, with lovely memories of the Moody family, as their boys were about the same ages as ours. The world is a less loving and bright place without Carol, but I can picture her happy reunion with her dear son. Praying for peace and comfort to her family and friends still here on earth.

I am sorry for the loss your family has gone through. Carol was a beautiful and amazing person, wife, mother, and grandmother. She always had a smile whenever I saw her and a great sense of humor. She definitely gave everything she had to family and friends. She was very creative and always laughed at her kids jokes. Carol always stood by her family’s side to support them whenever they needed her. You will be greatly missed Carol Moody!
