So sad to learn of the passing of one of my favorite Dutchmen. Margaret and I send our condolences to you - Lynn, David and Arlene. Memories of our association many years ago flood my mind. Our love to each of you.

I will greatly miss Uncle Ray. He always made me laugh! You are now together with Aunt Joanne.

We will be with you in our thoughts and Frans will always live on in our hearts. Wishing all of you lots of strenght in the upcoming time. Gecondoleerd met dit grote verlies en heel veel sterkte de aankomende tijd.

Dag lieve ome Frans. Je was een fijne vent en het was altijd heerlijk om jou en opa Toon samen te zien. We gaan je echt missen en ik hoop dat jullie nu weer samen zijn en op ons neer kijken. Bedankt voor alle leuke momenten die ik met je mocht delen. Rust zacht

Dear Frans and family, The Bracken Family of Nephi have fond memories of Frans and his endless enthusiasm for life. He came to live with my Grandparents in Nephi after the war. Frans helped Grandpa Rulon with the farm work and attended school during the day. At night Grandma Tacy taught him to read and write in English. Frans was quick to learn. Whenever we would get together as a family you were always invited. To us, you were the baby brother of the Bracken Family. We love you, Uncle Frans. Rebecca Bracken
