Dearest Tamara and Family, Over the years you lived in the Monument Park 8th Ward (my former one) of my parents, Willard and Verda Nelson and my six younger brothers and sisters: Steve, Neil, Diana, Tonya, Susan, and Heidi, we all knew and loved you and your family so very much! Such outstanding servants of Heavenly Father and our dear friends! With a heavy heart learning of Richard's passing, I am so sorry for your great loss, sending our sympathy, love and continued prayers of comfort for you all. Thanks for teaching and serving all of us over the many years of our friendship. Due to this horrible covid-19 pandemic, I regret we will be unable to attend a celebration of life for Richard. Thanks for posting a precious obituary and so many wonderful pictures of him and your family on Facebook the past while. Loved seeing them! Sincerely, Nadine N. Allen

Tamara- Sorry to read in the paper today about the passing of Richard. Since we have a shared history going back to grade and high school you have always been a special person to me and, after reading Richard's obituary, it is good to know what an extraordinary and accomplished person he was as well as a devoted husband to you and selfless father to your children. Knowing you, you deserved no less. You and your family will be in our thoughts and prayers during this difficult time. Kent

It was my privilege to serve with Richard and Tamara in the Salt Lake City Temple for 10 years. They are examples of love, faithfulness and dedication. I cherish my memories and friendship with this elect couple. My heartfelt sympathy, love and prayers are with Tamara and her family at this difficult time!

It was my pleasure to be a classmate of Rick's in Law school. Later I observed him in practicing law. He was a man of complete integrity. If all men were like Rick the world would be a wonderful place. I admired his quiet but effective discipline ship of Christ. My wife and I send our sympathy to the family but are very happy for Rick's new experiences.

Dear Tamara, we were so saddened to see that your wonderful husband and our long time dear friend Rick Evans has passed. Although we have not crossed paths for several years, we will never forget your thoughtfulness during family weddings and when business events transpired between us. Doug loved his relationship with Rick in Sigma Chi as well as in many of the honorarium. at the U. You are the ideal couple in so many ways. May you and your family be blessed with happiness in all the memories you share.

Tamara and children, The last time I saw Rick was at my mother's funeral (Bertie Walton) I will always remember him giving his sympathy to me with tears in his eyes as he spoke of my parents. I am so sorry for your loss, because I know it is a great one.. He was one of the best. When I read of his death, I could almost hear my dad saying to my mother, C'mon Bertie, let's go welcome Rick Evans! While I know the road ahead for those of you left behind is a hard one, I also know it to be one of great light and learning. I pray for the comforting Spirit of the Holy Ghost to be close at hand for all of you, and that you will continue to feel the love of our Savior throughout this time of grief. It is what gets us through! Love to all, Mary Walton Garlock

Tamara, I was saddened to hear of Rick's passing. He was the best boss I ever had and I wish that CFS has continued as a viable enterprise so that I could have worked with him much longer. He was a great example to me of how one should live one's life. He will be sorely missed.
