Oh Annie! I just found out when I was thinking about u 2 today! Garth was supposed to let me know what the tests said! He never did! And not another soul told me! I would really like to see you! I don't have your number but I have Garths! If you still have Garths phone call me. I'm in his contacts. Harley never could catch any fish when we went fishing. Lol. Hopefully Harley is showing Garth how to do it now. Love you Annie. Please give me a call!
