What a beautiful tribute to an amazing Mum! As a former co-worker of Irene's at LDS Hospital and IMC, I would like to express my deepest sympathies to your family. Having just lost my Dad during this time when the nursing homes have not been allowing visitors, I can empathize with you regarding the inability to be at her bedside. Such a disconcerting circumstance! My thoughts and prayers are with you and her immortal spirit. May her memory be eternal ■■■

I never had the pleasure of meeting your Mum. Gary (Haun) has said to me many, many times how very sweet and wonderful a person she was! He said she reminded him of MY mom, Donna Madge Dick Pieper (deceased 12/01/2012) and that tells me all that I need to know... I quote my Mom, Donna, from a note she sent to me and my now deceased husband Jeff when we lost his sister Marsha to an early death. "Through our questioning, we learn to accept, adapt, and move forward even when all the answers are not apparent or all solutions not joyful. May your hearts find peace among the memories you cherish and hope within the promise of tomorrow. Your sorrow is in our hearts, too."

Our sweet, sweet Irene. Always the quintessential lady. She loved to eat slowly and take small bites while visiting at the nurses station. Yes! She could recite poetry and told me amazing stories about sewing for her girls. When I arrived at work, she would look up and smile, often saying "you're back". I was so sad that I was not working and could not say a last good bye to this precious soul. She will always be a "favorite" in my heart. North Canyon will just not be the same without dear Irene. Her family was so tender, so loving, so involved in her cares. Always making sure she had beautiful pajamas, flowers in her room. This MOTHER is loved. May you find peace during this time. Sending all of you my love and strength.
